- A slip and fall accident can happen anywhere, anytime and may result in serious injuries.
- If your slip and fall accident occurred on someone else's property, what you do immediately after the accident can help prove who is responsible for the accident.
- The list of things to do after a slip and fall accident is as follows:

DERVISHI
LAW GROUP, P.C.

Seek Medical Attention

- Seek medical help even if you believe your injuries are not serious.
- Having a medical report may be helpful when filing a claim.

Report the Accident

- Find the property owner or manager and let them know about your accident.
- File a formal report and request a copy.

Collect Witness Information

- If there were any witnesses to your accident, make sure to obtain their contact information including names, addresses and telephone numbers.
- Your lawyer may contact them at a later date to get their statement.

Take Photographs

- Take photos of the object that made you fall such as a puddle, loose stair tread, torn carpet, slippery floor, etc.
- Photos can be useful in making your claim.

Document Evidence

- Your accident report, any written correspondence between you and the property owner or manager, and bills and receipts related to your medical treatment are important evidence.
- These documents may help prove your case.
